 ThariqAzees

SUMMARY

CS undergraduate at CEG, Anna University, proficient in React.js, Angular, Node.js, and MongoDB, with experience building scalable web and data-driven applications. Co-designed a machine learning framework achieving 94.3% classification accuracy on 1,478 records, contributing to a research manuscript under peer review. Seeking a software engineering role to build reliable, user-centric products at scale.

WORK EXPERIENCE

Web Development Intern — KarthikKesh Robotics Pvt. Ltd. Jul 2024 – Aug 2024

Developed frontend interfaces for 4 web applications, delivering 15+ responsive pages using React.js, Angular, JavaScript, HTML, and CSS. Applied responsive design principles and component-based development practices to create scalable and maintainable user interfaces.

Data Collection Analyst (Part - Time) — Stats Perform Jan 2025 – Jan 2026

Validated and updated 100+ player records daily across multiple US professional sports leagues, maintaining real-time database accuracy through quality-audited workflows. Operated independently under strict production deadlines, demonstrating consistent attention to detail in a fast-paced production environment.

PROJECTS

University Question Paper Management System

Built a full-stack academic portal using Node.js, Express.js, and MongoDB to centralize management of 1,000+ question papers. Implemented secure authentication, faculty dashboards, and document management modules to streamline academic record handling.

Mining Impact Prediction and Visualization System (MIPVS)

Co-developed a machine learning and GIS-based dam safety assessment framework using Python and QGIS. Built a Random Forest model achieving 94.3% accuracy and 0.96 AUC on 1,478 blast-event records, contributing to a manuscript currently under peer review.

EDUCATION

SSLC, SVGV Matric Higher Secondary School (2020)	Percentage: 86%
HSC, SVGV Matric Higher Secondary School (2022)	Percentage: 96%
B.E., Computer Science & Engineering, CEG, Anna University (2023–2027)	GPA: 7.9

SKILLS

Programming Languages	C, C++, Python, Java, JavaScript
Frameworks & Technologies	React.js, Angular, HTML5, CSS3, Node.js, Express.js, REST APIs, MongoDB, MySQL, Scikit-learn, Pandas, NumPy, QGIS
Tools & Platforms	Git, GitHub, VS Code, Linux
